CRITERIA I

Key Indicator 1.3.2 Number of value added courses imparting transferable and life skills offered during the last five years

DV.V. ANNEXURE - 1.3.2.1

Number of value-added courses imparting transferable and life skills offered during the last five years

1. Courses of varying durations (of at least 30 contact hours), that are optional, and offered outside the curriculum that add value, have been reattached here showing the duration of the courses conducted through — reports, attendance sheets, photographs and posters published.

Prof. A.V.Purohit (Principal, IDEAS, Nagpur)

1.3 Curriculum Enrichment (30)

1.3.2 Number of value-added courses imparting transferable and life skills offered during the last five years (15)

Please note: Courses of varying durations (of at least 30 contact hours), that are optional, and offered outside the curriculum that add value and helping them students in getting placed

Date 02.12.2019

BRIDGE COURSE 2018-2019 ACCE WORKSHOP REPORT

The workshop was conducted as per schedule, all the members of ACCE completely supported the event to provide their valuable knowledge in different level of constructions whether it is material lab testing. Surveying practical or site visits. Each lecture conducted and field visit provided students a different experience to clarify their knowledge about any construction and points to be considered while designing a structure.

The 6 days' workshop where all areas of construction process were explored through lectures and site visits. Sessions were very interactive, all the speakers (ACCE members) tried to come down to students understanding level and introduced very difficult aspects in very simple manner. We appreciate special efforts by Er. Satish Raipure sir and Er. Sumant Mundle sir for conducting the workshop in wonderstanding all the experts. They shared a very valuable knowledge of constructions through there field experience. Visit to material testing lab at Geotech was very useful for students and site visit was also a valuable experience for students.

It was wonderful and smoothly conducted event by ACCE members. Our Students have learnt a lot through this workshop and enjoyed it simultaneously.

SAHAS THE CAMP

The Camp is located near Wadgaon dam 45km from Nagpur, the camp started on 7th June 2017 with 43 students of 4th semester It was 4 days activity scheduled camp which has various team building activity and physical training exercise, which help students in personality development and confidence building for facing different challenges. The institute wants to increase the capacity of each student which will help him to face challenges appearing for him in his academics and in future life.

The brief about the type of objectives to be achieved through this program was sent to the SAHAS camp, on basis of which various activities were conducted for students. The camp has various ground and water based activities like wall climbing, rappelling, net climbing, trekking, Navigation, Kayaking, Rafting, along with team building games and meditation sessions. Students enjoyed the camp and performed all the activities given to them. On the last day of the camp there was cultural activity

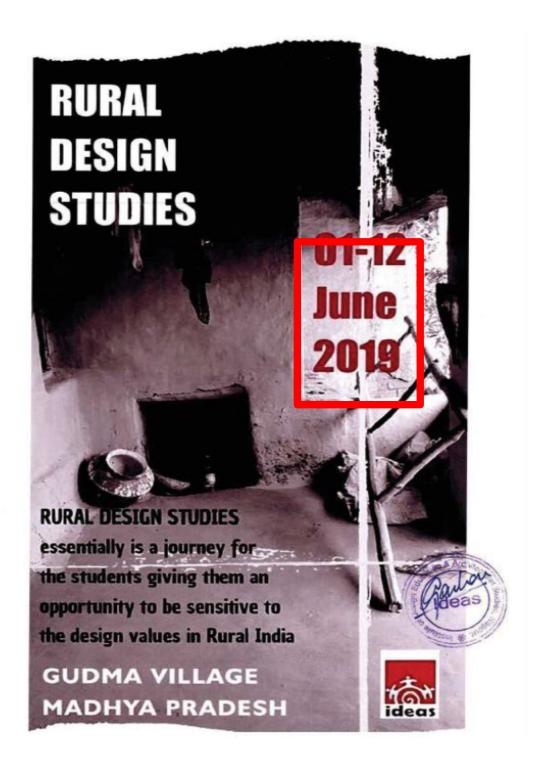

which refreshed the students and they perform very well. Net Climbing, Wall Climbing, Raopelling.
