

6. PERSPECTIVE PLAN APPROVED BY BOD 2009

Extract from minutes of meeting BOD dated 28th October 2009

The Board of Directors in its meeting BOD/04/2009 dated 28th October 2009 decided the Perspective Plan for the newly started Architectural Institute IDEAS, Nagpur.

The plans were prepared by the nominated members by the Principal and discussed at length in meeting, modified and finalized which suggested changes. They are in four stages, first as Inception stage and subsequent 5 year plans. They are as

Perspective Plan

Inception Plan	2009-2012	To acquire senior level human resource from various fields related to architecture.
		To create adequate infrastructure capable of facilitating creativity.
		To commence the course of B-Arch with intake of 80.
		To create base for quality design education.
Plan I Short term	2012-2017	To enhance intake of B-Arch from 80 to 120.
		To strengthen institute-industry interaction with research based system through training, collaboration programs.
		Faculty and student development programs.
		Creative learning environment and unique pedagogical procedures.
Plan II Medium term	2017-2022	To establish it as leading institute and center of excellence in Central India.
		Introduce master and research programs.
		NAAC accreditation.
		Foreign University collaborations.
Plan III Long term	2022-2027	Extension of academics into societal concern.
		Establishing Publication Cell to facilitate research and creative experimentation publication.
		Diversified design programs.
		Setting up research and facility center for scholars and public at large.
		Incubation center in various domains.
		Institute autonomy.

These Perspective Plans will be point of reference for all future developments of IDEAS, Nagpur. These will be reviewed after each plan period for any modifications, if required.
