

6.2.1 The institutional Strategic/*Perspective* plan is effectively deployed

IDEAS IS presently in '**Plan II (Medium term 2017-2022)**' which has following objectives:

- Introduce master and research programs.
- NAAC accreditation.
- National / Foreign University / institutes collaborations.
- Extension of academics into societal concern.
- Establishing a Publication Cell to facilitate research and publication.

In tune with above, following steps were initiated in the academic year 2021 -2022 as:

1. In order to achieve excellence in academics, we had formally signed a MoU with CEPT, Ahmedabad on 9th May 2022. This will be effectively implementing the academic strategies and methods at 1st to 5th semester level of our academic program from 2022-23 session onwards.
2. As an extension of academic to societal concern, Collaborative Workshop-Bastar Academy of Dance Art and Culture (BADAL) involving students from 6th semester was carried out at Bastar district of Chhattisgarh, involving teachers and alumni .
3. As a part of research, three proposals were submitted by five faculty members under 'CoA Urban Research Project' and a proposal on 'Urban Farming' was selected by the Council of Architecture after the due deliberations.
