

# Certificate

This is to certify that the Green Audit was conducted by the IDEAS Committee for Quality Audits under the Environmental Committee in accordance with the applicable standards prescribed by the Central Pollution Board and Ministry of Environment and Climate Change, Govt. of India. The audit has assessed the quality of water along with power consumption, waste management, renewable energy resources, rainwater harvesting etc. of the concerned year 2022-23. The data used in the report and photographs taken and provided are original and have not been presented and published elsewhere.
